Mayor Franzen opened the meeting and public hearing on a request for rezoning at 7:00 p.m. Advance notice and a copy of the agenda were given to the Council and members of the press.

In the absence of two council members, there was not a quorum to conduct business.

The Clerk reported the request to rezone Block 2 of Peterson Estates Subdivision had been withdrawn. The property will remain R-1.

- Karla Bryant asked Council to reconsider the ordinance that prohibits trailer parking on the street. She would like to see an allowance for small trailers, such as for construction projects, allowed for a specified amount of time, perhaps 48 hours. She suggested it would be easy to monitor if permits were issued from the Police Dept and displayed prominently on the vehicle. Fees could be based on the size of the trailer. Council agreed to discuss the issue with chief Olson.

All business was moved to the May 2 agenda.
