Two months ago bids were received for the transformers to serve the ethanol plant. Five bids, ranging from \$623,000 to \$993,000, were received and evaluated by Olson & Associates. Evaluation criteria included price, availability dates, service record, and experience of the company.

Since RAE has experienced a change in their planning department, we're reluctant to accept a bid that may not meet the needs of the proposed ethanol plant and are waiting for specific needs information from them. Olson Assoc recommends the Waukesha Electric Systems bid for \$926,497. It will take 55 – 58 weeks to build and ship the transformer but the company is willing to reserve a 46-week time frame and will hold the price for 30 days pending receipt of a letter of intent to purchase.

Discussion was had and Dudley moved, Aden seconded, to accept the bid of Waukesha Electric Systems contingent upon approval of other contracts and agreements with Rural Agriculture Energy (RAE). Roll call vote: Yea – Kennedy, Whiting, Aden, Dudley. Nay – none.

It may be necessary to have a special council meeting in late January to finalize all documents.

Dudley moved, Kennedy seconded, introduction of Ordinance 813 to change the zoning of the ethanol site from AG to I-2. Roll call vote: Yea – Whiting, Aden, Kennedy, Dudley. Nay – none.

Kennedy moved, Whiting seconded, to allow the Redevelopment Authority to use Reuse Funds for acquisition of property. Roll call vote: Yea - Aden, Dudley, Whiting, Kennedy. Nay – none.

Dudley moved, Kennedy seconded, to adjourn the meeting at 7:24 p.m. Roll call vote: Yea - Whiting, Kennedy, Dudley, Aden. Nay – none. The next regular meeting will be January 16, 2006.
