Mayor Hudson opened the meeting and public hearings at 7:00 p.m. Advance notice and a copy of the agenda were given to the Council and members of the press. City Council meetings are conducted in accordance with the Open Meetings Act, a copy of which is available for public inspection on the north wall of the Council Chambers.

The final budget proposal is as requested at the August work session except that the Airport Authority request is increased from \$2544.00 to \$5088.00 because the County did not levy tax for their debt retirement in 2006-07. The State Auditors office has suggested it be added to the 2007-08 budget. It is a lid exception and has no effect on the levy.

Ken Christensen and Angie Barkmeier asked if the budget included an emergency generator for the Senior Center since it's used as an emergency shelter, particularly in winter. If there is no generator, there should be a plan for emergency situations longer than 24 hours. The generator itself would have no benefit to the Center unless the community uses it as a shelter.

Council agreed a generator is needed but there is no room in the budget this year and would rather have a committee formulate a plan rather than just buy a generator without forethought. Such a plan would include size of generator, funding options, how many people can be in the Center at such times, who prioritizes use of the Center as a shelter and other questions.

Aden moved, Kennedy seconded, to close the budget hearing at 7:15 p.m. Roll call vote: Yea – Dudley, Whiting, Kennedy, Aden. Nay – none.
