

An ordinance providing for the maintenance and operation of a gas distribution system, the privilege to construct, maintain and operate a system of mains, pipes, services and other appliances, in, upon, over, across and along the streets, alleys, bridges and public places of the City of Columbia, Missouri for the transmission, distribution and sale of gas for lighting, heating, industrial and other uses, in above City and elsewhere, and prescribing the terms and conditions under which said Company is to operate, also the maximum rates to be charged for gas sold in said City; and granting right to the City to cancel and annul its franchise under conditions prescribed, if the Company does not within one year begin work of construction of said Gas mains within the said City.;

BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF COLUMBIA, MISSOURI:

Section 1. That in consideration of the benefits to be derived from the installation and operation of a gas distribution system to the City of Columbia, Missouri, hereinafter, by said City and its franchisees, there is hereby granted to the Columbia Gas Distribution Company, a corporation duly incorporated under the laws of the State herein set forth, and its successors, its successors and assigns, the right, permission and authority to lay, install, maintain and operate a gas mains transmission and distribution system within the limits of said City; as the same now exist or may be hereafter extended, for a period of twenty five (25) years from and after the date of passage of this ordinance and for this purpose there is hereby granted to said franchisee the right, permission and authority during said period to lay install, maintain and operate in, upon, over, across and along the streets, avenues, alleys, bridges and public places of said City all mains, services, pipes and conduits and appliances necessary or convenient for transmitting, distributing and supplying of gas heating industrial power and other purposes for which gas may be used during the term hereof; and for the purpose of transmitting, distributing, transporting and conveying such gas into thoroughfares and other public places, villages, hamlets and other localities, it is hereby granted and agreed that this franchise is not exclusive.

Section 2. That all mains, services and pipes which shall be laid or installed under this grant shall be so located and laid as not to obstruct or interfere with any water pipes, drains, sewers or other structures already installed, and all such lines, services and pipes shall be laid in place subject to the approval of the committee on streets and alleys of said City or subject to the approval of such representatives as said City may from time to time provide.

Grantee shall in the doing of any work in connection with its franchise, said mains, pipes and services, avoid, as far as may be or obtain, interfering with the use of any street alley or other highway, and where the paving or surface of the street is disturbed, grantee shall at its own expense and in a manner satisfactory to the duly authorized representative of the City replace such paving or surface of the street or alley in as good condition as before the said work was commenced. In the event that at any time hereafter said City shall lawfully elect to change or alter the grade of any street, avenue, public ground or highway the franchisee will, upon being directed by resolution of the Mayor and City Council or Governing body of said City so to do, relay its main or service pipes where the same will be necessary by reason of said change of grade, the cost of relaying the mains or service pipes to be paid by the said franchisee, its successors and assigns.

Section 3: That the City may annul and cancel this franchise, if by expiration of one year from date of this franchise becoming effective, the franchisee shall have failed to begin within the City limits work upon the construction of said gas system provided, however that there shall be added to such one year period any time reasonably lost due to litigation instituted by others, or due to action of the City or its officials, or of any other governmental body having jurisdiction, or due to strikes or other causes beyond franchisee control.

Section 4: The franchisee shall make such reasonable extensions of its mains from time to time and shall install services to the curb line where mains are located in a street and to property lines where mains are located in an alley, as may be required to furnish

The minimum monthly charge under this schedule shall be \$1.00 per month per meter. All the above rates apply only when bills are paid on or before ten days after the monthly billing date. When not paid so paid the gross rate, which is ten percent higher than the above will apply.

Section 6- The grantee shall furnish and install for its customers reliable meters and shall keep the same in repair without cost to the consumer; all meters used the grantee shall at all times be subject to inspection by the city; and the city shall have the right to test said meters at reasonable times.

Section 7- The grantee, its successors and assigns in the construction of said gas transmission and distribution system within the limits of said city shall use new, tested and approved pipes, material and equipment with all necessary modern safety devices to protect said City and its inhabitants from damage and injury.

Section 8 - Said Grantee its successors and assigns, shall file a map of plat with the City Clerk of the City of Gothenburg, Iowa, showing the location and size of all gas mains and distributing pipes laid in the City of Gothenburg, Nebraska, and the map or plat shall be corrected from time to time showing all additional mains and distributing pipes laid.

Section 9- That in case the available supply of natural gas shall at any time fail or become insufficient to supply needs of the public of said City, the grantee shall be authorized upon its election to so do, to change to manufactured gas service and to distribute and sell manufactured gas in and through its mains and services installed hereunder. Such change in service shall be made with the consent and approval of the Mayor and City Council. If required by law and such reasonable rates may be established for manufactured gas as the Mayor and City Council shall approve.

Section 10; That grantee shall be required and by the acceptance hereof agree to save harmless the municipality from and against all claims and demands and from all loss and expense incurred as a result thereof, arising out of the negligence of the grantee in laying, installing, removing, inspection or repair of any mains, pipes, services or appliances of grantee, or in the use and operation thereof during the term of this ordinance.

Section 11; That within thirty days after the passage and approval of this ordinance, grantee shall prepare and file an unconditional written acceptance of this ordinance with the Clerk of said Municipality, failure of said grantee to so accept this ordinance within said period of time shall be deemed a rejection thereof by said grantee and the rights and privileges herein granted shall, after the expiration of said period of thirty(30) days if not so accepted, absolutely cease and terminate, unless said period of time shall be extended by further ordinance duly passed for that purpose.

Section 12; This ordinance shall be in full force and take effect and shall constitute a binding contract between the City of Gothenburg, Nebraska and the Natural Gas distributing Company and its successors and assigns, when it shall have been enacted and
