Payment of principal due at maturity or at any date fixed for redemption, together with any accrued interest then due, shall be made by the Paying Agent and Registrar to the registered owners upon presentation and surrender of the bonds to the Paying Agent and Registrar. The City and the Paying Agent and Registrar may treat the registered owner of any bond as the absolute owner of such bond for the purpose of making payments thereon and for all other purposes and neither the City nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary whether such bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any bond shall be valid and effectual and shall be a discharge of the City and the Paying Agent and Registrar, in respect of the liability upon the bonds or claims for interest to the extent of the sum or sums so paid.

The Bonds shall be initially issued in the form of a separate single fully registered Bond for each maturity. Upon initial issuance, the ownership of each of the Bonds shall be registered by the Registrar in the bond register in the name of

Cede & Co., as nominee of Depository Trust Company, New York, New York, and any successor corporation ("DTC"), and except as hereafter provided, all of the outstanding Bonds shall be registered in the bond register in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the bond register in the name of Cede & Co., as nominee of DTC, the City and the Registrar shall have no responsibility or obligation to any DTC Participant (which means, as referred to herein, those broker-dealers, banks and other financial institutions reflected on the books of DTC), or any other person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co., or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a bondholder, as shown in the bond register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a bondholder, as shown in the bond register, of any amount with respect to principal of, premium, if any, or interest on, the Bonds. Notwithstanding any other provision of the ordinance to the contrary, the City, the Registrar and each paying agent, if any, shall be entitled to treat and consider the person in whose name each Bond is registered in the bond register as the absolute owner

of such Bond for the purpose of payment of principal, premium, if any, and interest with respect to the Bonds, for the purpose of giving notices of redemption and other matters with respect to the Bonds, for the purpose of registering transfers with respect to the Bonds, and for all other purposes whatsoever. The Registrar and each paying agent, if any, shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Bondholder, as shown in the bond register as provided in this ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than a bondholder, as shown in the bond register, shall receive a bond certificate evidencing the obligation of the City to make payments of principal, premium, if any, and interest pursuant to this ordinance.

The City and the Registrar may execute a Letter of Representation with DTC in connection with the issuance of the Bonds. Such Letter of Representation is for the purpose of effectuating the Book-Entry-Only System only and shall not be deemed to amend, supersede or supplement the terms of this ordinance which are intended to be complete without reference to the Letter of Representation and if in conflict with the terms of ordinance, the terms of this ordinance shall control. DTC may

exercise the rights of a bondholder hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

Notwithstanding any other provision of this ordinance to the contrary, so long as any of the Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on the Bonds and all notices with respect to the Bonds shall be made and given, respectively, in the manner provided in the Letter of Representation. The Registrar shall request in each notice sent to Cede & Co., pursuant to the terms of this ordinance that Cede & Co., forward or cause to be forwarded such notice to the DTC Participants.

Section 3. National Bank of Commerce Trust and Savings Association, Lincoln, Nebraska, is hereby designated as Paying Agent and Registrar for the Bonds, and as Trustee to hold the Debt Service Reserve Fund described in Section 9 of this Ordinance. The City shall enter into a Paying Agent and Registrar Agreement requiring timely deposits by the City sufficient to pay principal and interest on the Bonds when due. The Paying Agent and Registrar shall keep and maintain for the City books for the registration and transfer of the Bonds at the office of the Paying Agent and Registrar in Lincoln, Nebraska. The names and registered addresses of the initial registered owner or owners of the Bonds shall be recorded in such books prior to the issuance thereof. Any Bond may be transferred pursuant to its provisions at the office of the Paying Agent and Registrar upon surrender of such Bond for notation

of transfer, accompanied by a written instrument of transfer, in form satisfactory to the Paying Agent and Registrar, duly executed by the registered owner in person or by his duly authorized agent, and thereupon the Paying Agent and Registrar will register such transfer upon said registration books and make notation thereof on the Bond and deliver the same to the transferee registered owner (or send it by registered mail to the transferee owner at such owner's expense). Payments of interest shall be mailed to the registered owners of the Bonds as of the record date for each interest payment date. The record date for payments shall be the fifteenth day of the month immediately preceding the month in which such payment is due. The City and the Paying Agent and Registrar shall not be required to transfer bonds during any period from any record date until its immediately following interest payment date or to transfer any bonds called for redemption for a period of 30 days next preceding the date fixed for redemption prior to maturity.

Section 4. The Bonds shall be subject to redemption, in whole or in part, prior to maturity at any time on or after May 1, 2001, at a redemption price set forth below plus accrued interest to the date fixed for redemption:

<u>Period During Which Redeemed</u>	<u>Redemption Price (% of Principal Amount)</u>

May 1, 2002 through April 30, 2003	101%

The particular Bonds to be redeemed shall be selected by the City. Such notice shall designate the Bond or Bonds to be redeemed by number and maturity, the date of issue, the date fixed for redemption and state that such Bond or Bonds are to be presented for prepayment at the office of the Paying Agent and Registrar. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the Mayor and Council designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the Mayor and Council shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 5. The Bonds shall be executed on behalf of the City by being signed by the Mayor and City Clerk, both of which signatures may be facsimile signatures, and shall have the seal or a facsimile of the seal of the City impressed on each Bond.
