

RESOLUTION 254

BE IT RESOLVED that no person, firm or corporation shall engage in any commercial aeronautical activity in or upon the Gothenburg Municipal Airport without having obtained a permit so to do from the City Clerk and paying the following fees and charges for the activities in which the applicant intends to engage:

For the sale of aviation fuel	\$50.00 per year
For the sale of aircraft and parts	\$50.00 per year
For Student Instruction	\$50.00 per year
For aircraft repair	\$50.00 per year
For charter and ambulance service	\$50.00 per year
For Agricultural Aircraft Operations (aerial spraying or dusting)	\$2,400.00 per year

All such permits shall be valid until the last day of April following their issuance, and the payment of fees as above fixed shall entitle the permittee to engage in the aeronautical activity or activities for which fees have been paid during the term of such permit, that is to say, until the end of April following its issuance.

BE IT FURTHER RESOLVED that no person, firm or corporation shall engage in any commercial aeronautical activity on the municipality unless he or it shall have, in addition to securing such permit and paying the prescribed fees, entered into a lease with the city for space on the airport on and from which to carry on its operations, and provided suitable facilities. Such facilities to comply with such reasonable building standards as the city may prescribe.

Passed and approved this 5th day of July, 1966
