After having fully considered the objections and the adjusting and equalizing of assessments and what assessments should be made, the following resolution was presented and read by the Clerk:

"RESOLUTION 1978-6

BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF GOTHENBURG, NEBRASKA:

Section 1. The Mayor and City Council have heretofore designated this time and place for considering and levying assessments upon the real property lying and being within Sanitary Sewer Extension District No. 26 and Water Extension District No. 1, to the extent of benefits to such property by reason of such improvements, to pay the cost of constructing the same; that notice of the time and place of holding this meeting for said purpose has been duly given as provided by statute by publication in The Gothenburg Times, a legal newspaper of general circulation in this City in accordance with law, said publication being made in the issues of said paper published on July 27, August 3, 10, 17 and 24, 1978; the Mayor and members of the City Council have each personally inspected said extensions and the real estate lying therein; the Mayor and City Council have at this session heard all persons who desired to be heard in reference

to the valuation of each lot to be assessed and the special benefits or damages thereto and have considered the advice of the engineers in charge of the construction of said extensions.

Section 2. The Mayor and City Council further find and determine that the cost of extensions constructed in Sanitary Sewer Extension District No. 26 is \$43,452.16 (of which \$40,680.40 is to be paid by Special Assessments and \$2,771.76 is to be paid by City at large) and the cost of extensions constructed in Water Extension District No. 1 is \$43,233.61 (of which \$39,730.21 is to be paid by Special Assessments and \$3,503.40 is to be paid by City at large). The Mayor and City Council further find and determine that no lot or parcel of land in said Districts has been damaged by the construction of said extensions, and that the amount of benefits specially accruing to each lot and parcel of land in said Districts by reason of the construction of said extensions exceeds the amount assessed against each lot or parcel of land to pay the cost of said improvements.

Section 3. There is hereby levied and assessed upon the several lots and parcels of land in said Districts special assessments to pay the total cost of constructing said extensions in the amount in dollars and cents set out in the attached schedule in the column headed "Special Assessments". That the assessment upon each lot and parcel of land is not in excess of benefits thereto specially accruing from the construction of said extensions and the special assessments have been apportioned among the several lots and parcels of land subject to assessments in proportion to the special benefits accruing to said lots and parcels of land respectively from such improvements.

Section 4. Said special assessments shall be a lien on the property on which they are levied from the date of the passage of this resolution and shall be certified by the City Clerk to the Treasurer of this City for collection; the City Clerk shall also at the time provided by law cause such assessments or the portion thereof then remaining unpaid to be certified to the County Clerk of Dawson County for entry upon the proper tax list; said assessments shall be payable to the City Treasurer until so certified to the County Clerk and shall thereafter be collected by the County Treasurer.

Section 5. Said special assessments above provided for shall become due in fifty (50) days after the date of the passage of this resolution and may be paid within that time without interest, but if not so paid, to bear interest thereafter at the rate of eight per centum (8 %) per annum until delinquent; such assessments shall become delinquent as follows:

One-fifth of the total amount shall become delinquent fifty days after date of levy; one-fifth in one year; one-fifth in two years; one-fifth in three years; and one-fifth in four years.

Delinquent installments shall bear interest at the rate of nine per centum (9%) per annum until paid and shall be collected in the usual manner for the collection of taxes.

BE IT FURTHER RESOLVED that a certified copy of said assessment schedule be filed by the City Clerk with the City Treasurer and with the County Clerk of Dawson County, Nebraska, as provided by law."

It was moved by Councilman Nichols and seconded by Councilman Stubbs that the above resolution be approved and adopted as read.
