

RESOLUTION NO. 1988-14

WHEREAS the State of Nebraska will be designating a route as a future north-south expressway through the state;

AND WHEREAS we are interested in economic development, traffic access, travel and tourism industry, and future growth of the western two-thirds of Nebraska;

AND WHEREAS we want citizens in our area to have improved access to health care, education, and other services;

AND WHEREAS we prefer that the north-south expressway be constructed in the most cost-effective manner;

AND WHEREAS we believe the north-south expressway should be as centrally-located in the state as is reasonably possible;

AND WHEREAS we believe the north-south expressway should be a reasonable distance from any other major north-south expressways;

BE IT HEREBY RESOLVED that we support the designation of U.S. Highway 281 as the north-south expressway in the State of Nebraska.

Passed and approved this 6th day of December, 1988.
