Dear Council Members,

As new owners of the laundromat building, the Gothenburg Housing Authority would like to request that two handicapped parking places be established for the laundromat. In order for the building to meet the handicapped accessibility regulations, we are requesting that one be placed directly in front of the building on 9th Street and the other on the east side of the building to accommodate that entrance. If you have any questions concerning this, please contact the Housing Authority Office.

Sincerely,

Sue Jensen  
Executive Director
