RESOLUTION 1996- 24

WHEREAS, the City of Gothenburg, Nebraska, a municipal corporation and city of the second class, has determined that it is in the best interest of the City to support the efforts of Frontier County, Red Willow County, Dawson County, the community of Farnam and all other interested parties in the pursuit of the extension of Highway 47 from Highway 23 on the north boundary to Highways 6 and 34 on the south boundary; and

WHEREAS, the City of Gothenburg has determined that the extension of this road will provide a much needed corridor for trade between the City of Gothenburg and the communities directly south of the City, and

WHEREAS, without the extension of Highway 47 the distance between the north and south routes of Highway 83 and Highway 283 continue to be a space of approximately forty miles, a distance that causes traveling difficulties and is one of the greater spaces between roads in the State of Nebraska, and

WHEREAS, the City of Gothenburg has identified several companies such as Nebraska Salt and Grain, Frito Lay, Farmland Coop, independent trucking firms and numerous suppliers, who would use this road extensively in their commercial businesses if it were to be paved; and

WHEREAS, the City of Gothenburg is committed to economic development of not only the community, but the entire region, and as such is dependent upon having a good highway system.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GOTHENBURG, NEBRASKA:

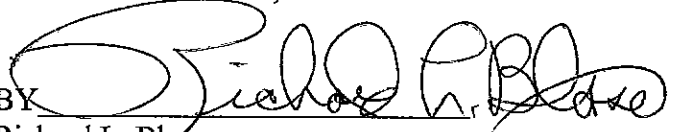

1. That it is hereby found and determined that the extension of Highway 47 from Highway 23 to Highway 6&34 is of extreme importance to the community of Gothenburg.

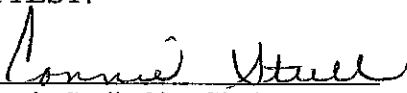

2. That the City of Gothenburg hereby vigorously supports all efforts of Frontier County, Red Willow County, Dawson County, the community of Farnam and all other interested parties in the pursuit of said extension of Highway 47.
