

RESOLUTION 1998-12

WHEREAS: the city of Gothenburg incurs additional administrative and billing charges for electrical customers desiring to be on the On Peak/Off Peak rate, over and above such costs for other electrical customers; and

WHEREAS, certain customers provide substantial benefit to the city by shedding 300kW during On Peak times; and

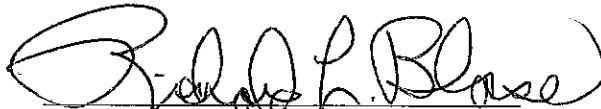

WHEREAS, the city council desires to adopt a billing policy which fairly adjusts costs among the various billing categories;

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF GOTHENBURG, DAWSON COUNTY, NEBRASKA, AS FOLLOWS:

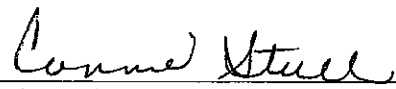

1. All electrical customers of the city of Gothenburg desiring to be on the rate schedule described as the On Peak/Off Peak rate, shall be required to sign a form with the electrical department and provide information requested of thereon.
2. All customers on the rate schedule described as On Peak/Off Peak rate, shall be charged an administrative fee of \$100 per month during the summer months of June, July, August and September.
