

RESOLUTION OF NECESSITY 2012-5

“BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF GOTHENBURG, NEBRASKA:

"Section 1. That the Mayor and Council deem and hereby declare it advisable and necessary to pass this resolution and to reconstruct sanitary sewer lines and mains in Lake Avenue from 4th Street to 7th Street within in the City; and find that said improvements will constitute a general public improvement in said City, which may properly be financed by the issuance of general obligation bonds of said City.

“Section 2. That said sanitary sewer improvements outlined above shall be constructed in accordance with the plans and specifications prepared by the special engineers for the City. Reference is hereby made to said plans and specifications, which plans, specifications and estimate of cost have heretofore been filed with the City Clerk and are hereby approved and adopted.

“Section 3. That said sanitary sewers to be constructed shall be constructed of a concrete cement pipe, vitrified clay pipe, cast iron pipe, or such other material as may be deemed suitable and specified by the engineers. The size, location and terminal points of said mains shall be as follows:
6” and 8” main repairs and replacing service lines under Lake Avenue from 4th Street to 7th Street.

“Section 4. That for the purpose of the construction of the proposed improvements, there is hereby created in the City a sewer district to be known and designated as Sanitary Sewer District No. 2012-1, the outer boundaries of which coincide with and are the same as the corporate limits of the City.

“Section 5. That to pay the cost of the improvements herein provided for, the Mayor and Council will, after such improvements have been completed and accepted by the City, cause to be issued the negotiable bonds of the City to be called ‘Sewer Bonds’. All of said improvements are declared to be general public improvements and not local improvements and for the benefit of all the property in the City. All of said improvements are found and declared to be necessary and proper to furnish a sanitary sewer system for said City.

"Section 6. That the engineers' estimate of the cost of such improvements is \$50,000.
